The Grand Rapids Lions Club is proud to announce the 6th annual **Blind Dinner Date**. Your unforgettable evening begins with drinks, dinner and sparkling conversation, only to be capped off with inspirational thoughts from our guest speaker, Michael Hingson.

Michael Hingson

Michael Hingson is known to many as a hero. Despite being blind, he and his guide dog Roselle led many people to safety from the burning World Trade Center on September 11, 2001. Join us on March 8th as Michael shares his unique story and personal experiences which have special significance as this year we approach the 10th year since the 9/11 attack.
